

I would like to present TRIS Translation Center, which has been operating on Ukrainian intellectual services' market for over 22 years already. During this time our company has achieved a leading market position in terms of volume and quality of provided services.

We offer translations from/to 44 languages of the world and simultaneous or consecutive interpretation services of any complexity level. We provide necessary technical equipment for simultaneous interpreting. We produce translations of any documents of theoretical or practical nature in all fields of economics, law, science, technology, and culture. And we also work with multimedia materials.

Our irrefutable reputation and high level of expertise can be confirmed by our regular customers, among which are: government agencies like National Bank of Ukraine, Kyiv Metro, Naftogaz of Ukraine, Ministry of Justice, Ministry of Defense, Ministry of Internal Affairs, Center for Adaptation of the Civil Service to the Standards of the European Union, Security Service of Ukraine. Over twenty-five banks, embassies, healthcare companies. SHELL in Ukraine, Ukgazprom, Ukrtelecom, Ukraine International Airlines, Pan Ukraine corporations. Over 50 foreign companies or their representative offices, and many more.
